

Our **Vision** is the creation of a company, whose name will be synonymous with high quality cotton yarn both in Greek and in International market.

To this end, Nafpaktos Textile Industry S.A. implements a Quality Management System (QMS) covering the following activities:

### **Production, Storage and Trading of Cotton Yarn**

QMS of Nafpaktos Textile Industry S.A. complies with EN ISO 9001: 2015 International Standard and all applicable regulatory requirements.

With regards to our QMS, Nafpaktos Textile Industry S.A. has adopted the following **Strategic Management** decisions:

- Use of excellent raw and auxiliary materials
- Use of excellent and state-of-the-art equipment
- Control of processes and product characteristics
- Full satisfaction of customers and other stakeholders
- Provision of all necessary resources to maintain and improve Quality Management System
- Commitment to meet all applicable regulatory and other requirements

Following our strategy, Nafpaktos Textile Industry S.A. is committed to the following **OBJECTIVES**:

- Constantly increase customer satisfaction
- Improve productivity
- Reduce operating costs
- Reduce customer complaints
- Continuous employee training
- Continuous improvement of QMS processes' efficiency

This Quality Policy is published and communicated to all interested parties, while it is implemented and supported by all Nafpaktos Textile Industry S.A. employees.

BoD Chairman  
Vasileios Polychronos
